ATTENDANCE matters

Dear Dragonfly Families,

We are working with the Maricopa County department called C.U.T.S. (Court Unified Truancy Suppression) and C.U.T.S. L.I.T.E. (Limited Intervention to Educate) programs. These truancy programs have proven that the collaboration between school, parents, students, and the probation department is effective in reducing truancy and subsequently curbing delinquent activity.

Arizona State Law (15-802.E. 15-803) requires that parents ensure that their children between the ages of six and sixteen attend 95% of schools day for the year. More information will be sent home, as well as posted on our website and facepage. MISSING SCHOOL is equal to MISSING OUT on learning and being successful.

Sincerely,

Administration & Staff

LITERACY WEEK was very successful, and everyone had a wonderful time!

It gave the teachers a chance to share with students that reading and writing really is fun and exciting. Also, our parents Ms. Tiara Rogers, Ms. Ana Alba and Ms. Jenie Sullivan had a great time sharing their favorite childhood books with students in all grades. It was special watching these parents engaging with students as they read aloud to the different classes.

The BOOK FAIR turnout was a huge success, and "thanks" to Ms. Jenie for decorating and running the fair! The teachers were delighted to learn that some parents purchased books from their Wish Book List. Those books will be used in an innovative way to interest students in literacy.

PARENT/TEACHER CONFERENCES were held for 3 days and we had 90% parent participation! We hope that the wealth of information you received regarding your child's progress was beneficial and helpful for you to assist them at home. Remember, you can contact your child's teacher to set up a meeting to check in on their grades/behavior. Our motto" Together We Can Help Our Students Be Successful!"
