If you need help with supplies, please reach out to me whenderson@skylineschools.com I have a lot of extra, especially since our school year was cut short. Keep in mind that 6th graders will NOT change classes and I will be limiting the sharing of supplies. Your student's supplies will be kept by them for personal use in their individual desk. Each student will be provided a white board and protractor by me to keep in their desk.

Please do not hesitate to contact me during the summer with any questions you may have. Students can be practicing math facts and reading every day to help them have the best year ever! I am excited for the new year and appreciate the opportunity to learn with you child for the 2020-2021 school year!

Sincerely, Ms. Wendy Henderson
