Hello Families,

Skyline Education will be implementing “Home Learning/Virtual” days. On these days, students will stay home and complete work that is sent home with them the day before. Some teachers will choose to send home Chromebooks while others will send a packet home.

These days are being provided to teachers for teacher in-service and professional to support instruction within the classroom. Along with student learning it is very important that our classroom teachers have the tools needed to implement our school’s written curriculum.

The dates for “Home Learning/Virtual” days are listed below. We will also be updating our school calendars on the school websites.
